Having considered the evidence and arguments submitted in support of the motion, and finding good cause to have been shown therefor, the Court grants final approval to the Settlement and hereby orders and makes the following determinations:

1           1.     The Court finds and determines that the notice procedure afforded to  
2 class members under the Settlement gave them the best notice practicable under the  
3 circumstances and satisfied the requirements of law and due process;

4           2.     The Court finds and determines that the Settlement Class, as defined  
5 below, meets all of the legal requirements for class certification, and orders that the  
6 following Settlement Class is finally approved and certified as a class for purposes of

10 electronically-printed receipt on which was printed the first four and the last four  
11 digits of the person's credit card or debit card number;

12           3.     The Court finds and determines that the terms of the Settlement are fair,  
13 reasonable and adequate to the class and to each class member and that the class  
14 members who have not opted out are bound by the Settlement;

15           4.     The Court finds and determines that the Settlement benefits to be  
16 provided to Class Members who submitted claims in accordance with the Settlement  
17 and other consumers are fair and reasonable and gives final approval to and orders the  
18 distribution of settlement benefits in accordance with the Settlement;

19           5.     The Court determines by separate order the request by Plaintiff for an  
20 Award of Attorney's Fees, Costs and Class Representative Enhancement Payment;

21           6.     The Court orders that, pursuant to the Settlement, all Class Members  
22 who did not timely request exclusion from the Settlement are permanently barred  
23 from prosecuting against AMC and its parents, predecessors, successors, subsidiaries,  
24 affiliates, and trusts, and all of its employees, officers, agents, attorneys, stockholders,  
25 fiduciaries, other service providers, and assigns, any of the claims released by them  
26 under the Settlement;

27           7.     The Court orders the parties to comply with the terms of the Settlement;

28           8.     The Court dismisses the action with prejudice and directs the clerk to

1 enter this order of dismissal as a final judgment; and
